Order

In order to implement the Child Tracking system as envisaged under Integrated Child Protection Scheme (ICPS) which is developed by Ministry of Women and Child Development & NIC, New Delhi, all Child Care Institutions (CCIs) are hereby directed for making children's data entry into the web portal www.trackthemissingchild.gov.in mandatory. All CCIs are directed to fill up and update all data entry forms of System of all the children residing in CCIs as per Child Tracking system.

CCIs should also search the Police data base available under this intervention, to find matching "Missing Children's Data Entry" related to found children in CCIs.

This order is issued with immediate effect until further order.

Chief Executive Officer
